

# FLORIDA HOUSE OF REPRESENTATIVES

## 2012 PAGE PROGRAM

### General Information

- Pages are 12-14 years old.
- Pages work in the House Chamber. They assist the representatives by delivering messages and other miscellaneous items.
- When they are not working in the Chamber, pages may participate in optional tours and educational activities. This may include a mock session, observing a live committee meeting, touring the Governor's Mansion, the Florida Supreme Court, the Museum of Florida History, and the Historic Capitol.
- The House does not assume responsibility for pages when they are not working in the Chamber.
- Pages do NOT work an 8-5 work week. Their hours vary day to day, depending on the session schedule.
- Pages are required to attend orientation the Monday morning of their week of participation. At orientation, they will receive a complete schedule for the week. Families are encouraged to attend orientation and any of the optional tours and activities.

### Member Sponsorship

Students are chosen to participate in the program by the 120 representatives who make up the Florida House. Each representative may sponsor one page and one messenger. An application without a representative's signature will be placed on the alternate list.

### Transportation, Lodging, and Food

Pages are responsible for their own transportation to Tallahassee and to the Capitol each day. They are also responsible for their own lodging arrangements and food. The House does not offer any financial assistance.

### Compensation

Pages can receive a stipend or service hours credit for their week of participation. The stipend is approximately \$100 for the week. In order to receive the stipend, a student must submit a W-4 form, an I-9 form, and a clear photocopy of his or her social security card. The forms must be legible and completed correctly. These forms will be provided upon acceptance into the program and should be mailed to the program coordinator immediately. **Change in Program:** Forms are due no later than the end of the first day of your work week. Students on the alternate list are not guaranteed a stipend. Failure to provide the required information above by the due date will result in students being awarded service hours in lieu of a stipend.

### Application Process

- Complete the application on the next page.
- Once all signatures are obtained, mail the completed application to the address listed by November 14.
- You will not receive confirmation that your application was received.
- Assignments will not be made until after the deadline for applications.
- After the deadline, all applicants will receive notification in the mail. Students accepted into the program will receive a guidebook with the required forms, including a medical form.
